Proconsul Augusti, Conchobar Mac Eoin and Proconsula Eilidh Keldeleth, Baron and Baroness of Dragon's Laire to the populace of The Honorable Barony of Dragon's Laire, Salve nobilis populus!

Kingdom Arts & Sciences and Bardic Competitions was very exciting. We are so proud of the Populace of Dragon's Laire. You are such hard workers, amazing team players, inspiring artists, and your love and devotion to Dragon's Laire, An Tir and the SCA come shining through with everything you put your hands to. This Barony is only capable of great things because it has so many people willing to do great things. We are inspired by you.

Speaking of great things and inspiring people, Her Excellency is near giddy with excitement over all the preparations being done for Baroness' War. The practices, the shields, the smiling enthusiasm of all those who wish to take the field of their choice in the name of Dragon's Laire is truly a great and inspiring thing to behold. Your willingness and enthusiasms for this endeavor only add to the joy and honor you bring to your Barony. We will make a mighty force to reckon with indeed.

As the camping season approaches, the official kick off if you will, May Crown is near. We still need a coordinator for Baronial encampment at May Crown Tourney. WE have a space on the erics to watch and enjoy the festivities but we still need somewhere to live for the weekend. If you are interested please contact Their Excellencies.

As Her Ladyship Adelheide has stated she will be stepping down as Baronial Seneschal, and we will need applicants to take on her job. If you are interested please send a resumé to Us and Her Ladyship. This is a great opportunity to take on a difficult but rewarding job in the SCA.

This year we are trying something different for the Baronial and Royal encampment at June Faire. We are going to lay the hilltop, across the path from the cemetery, out like a Roman marching encampment. The main difference is that there will be a specific way tents will be placed. If you are curious Google "Roman Military Encampments" and hit "image". This will give the populace a chance to meet and be close to their Crown as well as experience a different, specific, historic way to organize a camp. This encampment is open to any member of the populace who wishes to camp with the Barony. Their Majesties and Their retainers will have space reserved for them first but after

that, the populace may reserve space and reservations will be taken on a first come first served basis. Period encampments are preferred but not necessary as there will be accommodations for modern tents within the encampment. It is not necessary to be a Roman persona or even have a Roman set up. However we encourage everyone to bring banners and camp decorations to really show off the glory that is Dragon's Laire. If campers wish, they might also research Roman military motifs and create suitable banners, pennants and vexillae of Dragon's Laire, An Tirian or personal heraldry to modify and display in and throughout the camp. His Excellency might be persuaded to make prizes for best Roman decoration.... Barons favorite, populace favorite or maybe Crown favorite..... A sort of private Dragon's Laire endeavor hosted by Their Excellencies. To be part of the encampment just A.) Pre-Register via the form that can be found on the June Faire web-page , and B.) on that form in the space asking 'which group you wish to camp with' state that you wish to reserve camping space with the Barony of Dragon's Laire in the Roman Encampment, and the names of those you wish to be camped closest to. His Excellency is very excited about this and interested to see, with all our odd shaped tents and space, if it is even practical and doable and hope that this mass experiment might inform us, as experimental archeologists, what some of the practical implications of this kind of camp might be.

The Baronial regalia needs some spiffing up. Her Excellency has put out the call for people to present bids or to volunteer to make replacement banners for The Honorable Barony of Dragon's Laire. The ones that are currently being used have represented and shown the glory of the barony well and have been taken throughout the Kingdom but are old and faded. The black has gone a bit grey and the red a bit pink, to that end if you would like to make replacements, need dimensions or would like to know how please confer with Us so we can continue to let all those in sight see the tremendous talent and beauty that is Dragon's Laire.

In humili servititus manemus
Baron Conchobar and Baroness Eilidh

Baronial Steward:

1. Gold Key garb was placed back into heated storage in March. Picnic supplies went out and were returned in support of the Arts and Sciences Day Camp in March.
2. Next event in the queue for access to Baronial Storage will be June Faire. If you know you will need items from Baronial Storage to support June Faire, now is the time to start making your lists and speaking to the SCA Coordinator (Dame Madrun) or to the Autocrat (Arontius). Lady Diana Cartier will be gathering volunteers and organizing the actual physical pack-out and return of material from Baronial Storage. Please plan on assisting if you can. The more hands available, the faster the process goes.
3. If you need to get into the Storage Units for material, please contact the Steward at least several days prior to the need (the sooner the better). 'Instant Access' is rarely possible. Contact Arontius at <arontius@comcast.net> if you need access or if you have any questions. Either myself or the Steward Deputy (Dame Madrun) can meet with you at the Storage Unit(s) depending on schedule.

Golden Dragon Pursuivant: March was a quiet month for voice heraldry activities. Countess Elisabeth has three heraldry consults in the works.

Scribe: The last month was a bit trying for your scribe, but it's time to get back to work and complete our drafted charter designs. Our artistic talents are needed in painting awards for deserving populace of Dragon's Laire. Yes, June Faire is just around the corner. All are welcome to join us painting Tuesday eves at our baronial social and our monthly scriptorium. April's scriptorium is TBA (Thursday or Sunday from 4 to 8pm), as we have several weekends of camping and feasting on schedule. Please check the list for further date announcements. We will have a Scribal Tent at June Faire for our Guild demonstration of illuminated versals and bookmarks. Need a place to enjoy conversation and good noshes at June Faire? Come try your hand at period painting or calligraphy this year. Contact the Baronial Scribe or her deputy, THL Rhiannon of Eagle's Flight for more information.

I am also resurrecting the Yahoo DL Scribal Group. I am the moderator, so it is a closed group, BUT all are welcome. Sign up through yahoo mail--yes, you will need a yahoo account for this. I will continue to announce Scribal Guild notices through our baronial list and perhaps remember facebook as well. On Yahoo, we have capacity to store group files, meeting minutes, supply lists and other ongoing discussions that are very helpful to this art.

Baronial Marshal:

Events

Dragon's Laire forces are assembling and training in preparation for Baroness's War and other upcoming events. We have had a few "War Practices" in recent weeks in anticipation, combining training between Heavy Fighters and Combat Archers.

Heavy Armored

With the improved weather and daylight conditions, Heavy practice has returned to Tuesday evenings at the VFW Hall in Silverdale. Practice is concurrent with the Baronial social, from 6:00 to 8:00 PM. Some fighters choose to optimize the time by arriving early to armor up and get ready.

Rapier

Rapier practices continue at the VFW Hall on Tuesday evenings in conjunction with the Baronial Social. Interest is good and we continue to draw new and guest fighters to our practices.

Archery

Archery practices also are returning to the VFW Hall, but on Wednesday evenings. See the Baronial Archer's report for full details. Combat Archers are encouraged to attend and participate with the Heavy Fight practices on Tuesday evenings at the VFW Hall.

Thrown Weapons

Thrown weapons practices will be starting up again soon. Watch the Baronial e-list as well as Facebook for more information.

Equestrian

There was no Baronial equestrian activity in February. The position of Baronial Equestrian Marshal has gone into suspension until such time as there is greater need for the office. Practice opportunities are available with some of our Baronial Neighbors. Please see me for more information.

8 -The Flames of the Dragon

Youth Armored

Lords Avangr and Myrik continue to manage our YAC program. Practices are in conjunction with our regular Heavy practices on Tuesday evenings at the VFW Hall. **Siege**

Work continues on a number of fronts. Look to see Dragon's Laire engines on the field this year. At least one engine is expected to be fielded at Baroness's War later this month.

Additional Practices

If you have an opportunity for additional practices you are strongly encouraged to take advantage of these. Please keep me informed so that I can include this information in my reports. Also, if you need or want the Barony to be more involved, don't hesitate to talk to me.

Volunteer opportunities

If you are interested in becoming a junior or senior marshal in any discipline, please see me and we can get you started on that track.

Chief Archer: No report.

Thrown Weapons: No report.

Equestrian Officer: Office on hiatus until needed.

Youth Combat: No report.

Lists: Nothing to report.

Chirurgeon: May have found a replacement. Stay tuned.

Minister of Arts & Sciences:

A&S Day: Thank you to All that attended and made it a glorious day! We had about 60 or more people working on projects. We also had a good number of gentles join us from out of Barony. I would also like to thank THL Altaliana de Segna for arranging to use the VFW Hall. Thank you to Master Arontius for hauling stuff to and from storage and Countess Elizabeth for coordinating the potluck lunch. Thanks to THL Theodoric who brought space heaters for us to use just in case the weather would be as predicted. We put out a basket for donations to offset the hall rental and we collected \$147.00. The money has been turned over to the Exchequer. Our next A&S Day will be in the fall, we don't have a date yet.

June Faire: If you have not yet sent me an email or I have not yet responded concerning space in the A&S Village please contact me. I would like to get the layout done as soon as possible. April 6th will be my deadline. If you come to me after that, you can still be in the Village but may not be on the printed map. It looks like we are going to have us some fun!

Classes: THL Theodoric is setting up a schedule for pre and post June Faire at the socials. If you have held a class in March please let me know.

**Baronial Calendar of Activities
April 5-May 10, 2015**

Guilds: see each to report. My deputies and I are researching the inactive guilds and encouraging like minded people to start or restart guilds.

Reports: I am compiling my report for the Kingdom and should have it sent within the week. I am including Guild reports and Class reports in mine.

The next A&S Deputies meeting will be 7 Apr - Mapping June Faire Village. We will be meeting again on May 5th to go over final June Faire preparations.

Librarian: We have books and now we have some more books, thanks to Powell's and a recent run to Portland. I will bring a few tonight. Now that it is a break between events, I will focus on our library inventory. With Lady Diana's help, I hope to have it uploaded by May Crown.

Chronicler: First, I would like to apologize for the lateness of last month's newsletter. An inconvenient confluence of family obligations, bronchitis, and technical issues with the latest version of InDesign conspired to put me a week off schedule. I will do my best to make sure that does not happen again.

If you are a "Flames" subscriber, and did not receive a copy of the March issue, please contact me. Speaking of subscriptions, I would like to make the "Flames" available electronically. It costs more than \$15 per subscriber to produce and mail each issue and, frankly, I think more people would read it if all they had to do was click on a URL and view a .pdf. While "everyone else is doing it" is never a good rationale for embarking on any course of action, all of the nearby baronies' newsletters are electronic now, and even the Kingdom of An Tir has the electronic option. In my opinion, it's time. Of course, all current paper subscriptions will be honored, and those who wish to continue receiving paper newsletters in the future will be able to do so. However, it may be necessary to raise the price for new paper subscriptions, but I will need to have a conversation with the Financial Committee before I know that for certain. Stay tuned.

Meanwhile, I would like to invite the children and youth of the barony to draw me some dragons! Those of you who remember when I was the "Crier" editor know that I will feature artwork from any age group on the cover. So, if you're under 18 and can hold a pencil, I'm lookin' at you!

WebMinister: The webpage has been updated, and updated, and updated. June-faire.com has been purchased for another year. It was free! Yay, Dreamhost! Next year all our domain names will be up for renewal all at roughly the same time. Finally. From that point on we'll renew every two years or so.

The updates are numerous. Here's a sample:

updated various forwarding addresses and

updated index page, newcomers page, marshallate, legio, heavy, rapier, archery, equestrian, library, candlemas, officers, court herald, device folio (page 5), arts and sciences, picnic, help wanted, bardic, arts and sciences day camp, june-faire, largesse pages and MORE.

Chatelaine: I apologize for my lack of report last month. I was out of town and

didn't have access to the internet. I would like to thank my deputy, Morgan, for taking lead on the Cub Scout demo. I'd also like to thank those who volunteered their time to do the demo.

March brought email inquiries from two gentlemen who have played in the past. John "Joven" has previously played with BAO several years ago and Samuel played briefly in San Jose. Both have been invited to Tuesday FP and social. Joven is interested in attending June Faire and Samuel would like to get into heavy fighting. The Boy Scouts are doing a section focused on Medieval life this year. I currently have one request for a demo on May 2nd on Bainbridge. I'm awaiting more information, however, I'm sure they'd like a heavy demo. As the spring and summer go on I expect more requests to come in.

Gold Key: As of this moment, all is in readiness for that little Event in Port Gamble. What is it called??? Oh, yeah! JuneFaire! We are still taking donations, y'all! See ya there!

Family Activities Coordinator: I would like to do a cool thing at June Faire that involves passports and stamps. If you are interested in helping me make that happen, please contact me.

Guild Reports

Bardic Guild: On hiatus until a new leader steps forward.

Costumers: There is nothing new to report.

Now's the time to check over garb, make repairs to existing garb or make new garb. I'm here to help in any way I can.

If you'd like to take over the Costumer's Guild please see me as my two years were up last September.

Culinary: Next meeting will be at Rycheza's on April 15th.

Scribal Guild: See Baronial Scribe report.

Textile Guild: The Textile Guild is working on a long-term dye project, to culminate in a series of dye days after the close of tourney season. Details are available to anyone interested in participating in this project at the next meeting of the Guild, 6pm April 21st at Madrun's house. Inclusion in the Fall dye days will be reserved based on the amount of involvement in the project. The project and dye workshops will, hopefully, culminate in a dye demo at next year's June Faire.

Membership in the Guild is open to anyone with an interest in textiles and textile production. While the dye project is the current focus of many in the Guild, there are many other projects and plans afoot. Members are also exploring wool and linen processing and spinning, Iron Age cloth weaving, and tablet weaving.

Event Reports

June Faire:

1. General Notes -

* We have a Site Walk-Through scheduled for April 22nd (Wednesday) at 6PM. We'll meet in the parking lot of Mike's Bar-Be-Que in Port Gamble. Please stop on by and ask questions. We want everyone in the Barony to get involved. Got an idea? Come talk about it and we'll help you make it happen.

* Starting at the Social of Tuesday, April 7th, we'll begin holding mini-meetings in the VFW Hall, starting at 6:30. We'll make a general announcement for a June Faire gathering and take up a corner to talk about all things June Faire. If there is a crowd of people, the meeting could be lengthy. As we get closer to June Faire, I'm sure more questions will get asked. This is one more chance to get involved. We need help from every single person in the Barony in order to make June Faire successful. Don't know what to do? Speak with any one of us, we'll get you connected with something.

* Crier copy has been submitted for publication and accepted. We are now official.

* Their Royal Majesties will be in attendance at June Faire.

* We have a Prize Coordinator on board, THL Adelheide Leeuwin. We've started collecting prizes from many artisans in the Barony. But with all the Tournaments and Activities happening at June Faire, we need MORE. The best and largest Tournaments and activities have been those where something BIG was involved, usually a really nice prize. We have in the plans to have a Day Shade (as manufactured by Marquessa Laurellen and Dame Madrun in the past) as one of the main prizes (which was highly coveted). If you have something you would like to make, or obtain, or think would be an awesome prize that we could acquire in support of June Faire, please talk to Adelheide Leeuwin so that we can make it happen. Towards the end of April we'll start getting that listing posted to the June Faire web-site.

* Information should start flowing to the June Faire web-site as April progresses. Keep checking in, especially later in April.

* Finally. We do want to hear from you. Any questions for the Board? Want to get involved in the planning process? Contact the Chairman, Arontius, at <arontius@comcast.net>.

2. SCA Coordinator (Madrun) - Lay-out of major activities taking shape. Starting to pull together the elements necessary to create schedules and lay-out for both Martiall and A&S Activities.

* As part of her duties as SCA Coordinator, Dame Madrun will be speaking to every Baronial Officer at some point to ascertain their need for space and materials at June

14 -The Flames of the Dragon

Faire (and any special needs). Anything you can do in preparation for this would be appreciated. Do you need a pavilion? How much of a foot-print of land do you need? Where do you need to be located? Do you need supplies (batteries, rope, ???)?

* Kloe of Thira is the Camping Coordinator for June Faire XXXIII.

* If you want to be part of the Baronial 'Roman Encampment' (AND WHO WOULDN'T WANT TO BE!!!!), you should pre-register to ensure that you are placed on the map for the Baronial Encampment on the Hilltop. THL Myrick will be working with Kloe to wrangle the Baronial Roman Encampment.

* Wrangling of pavilions (who gets what) in process. If you are running an activity or office at June Faire and are unsure of where you'll be and under what canvas, please make sure to check in with Madrun to find out and make arrangements.

3. Town Liaison / Contracts (Inga and Diomedes) - Work continuing on establishment of regular site contracts. Site contract to be signed and paid this next week. Biffies and trash in process.

4. Gate Coordinator (Francisca) - June Faire pre-registration form is LIVE and available on the June Faire web-site, <<http://www.dragonslaire.org/events/june-faire.php>>. REMINDER: Pre-registration will filter through the Glymm Mere exchequer. Keep this in mind when writing your checks ('SCA, Inc.; Barony of Glymm Mere'). Also note that we are still requiring those large groups who want to reserve space together to pre-register.

* Parking Assistance and Crossing Guard duties will once again be performed by Kitsap County Sheriff Cadets. They have confirmed desire to repeat their excellent service of last year.

5. Marketplace Coordinator (Countess Elisabeth) - Marketplace Jury Process completed. Complete listing of merchants in June Faire Marketplace will be posted on the June Faire Web-Page as soon as it is finalized. Currently approximately thirty merchants and three food vendors.

6. Public Relations (Ataliana 'Talia') - Contacts with all usual advertising (local, regional, SCA, etc.) in process. Road-side and large visibility signage being created to support June Faire.

* Advertising flyers for June Faire XXXIII in process and should be available to be passed out before the middle of April.

7. Continuity Coordinators (Marquessa Laurellen and Gwenllyn) - Working on Team Haggis 3.5 logos and June Faire XXXIII for advertising and funds-raising activities.

8. Their Excellencies Conchobar and Eilidh - Working to coordinate visits (camping, day trip, etc.) for Their Royal Majesties, Their Royal Highnesses, Princes and Princesses, and Baronial Cousins as needed. Plans for a 'ROMAN' Baronial Encampment on the top of the Hill in progress.

* THL Renart the Fox working to support Their Excellencies as Royal Liaison.

Last Chance/Lord Defender: The combined event for Last Chance and Lord Defender is coming along, we are going to be working on the write up for the event calaner in the very near future, More will follow at a later date . So just to remind everyone the event will be on September 18, 2015 at the Long Branch Improvment Club.

In Gratitude

I had such a fantastic day today at the DL Arts & Sciences Day Camp!! Thank you THL Mateusz for organizing it. Thank you Countess E. for organizing the pot-luck. There were so many goodies I had to go home and eat a salad as big as my head to make up for all the stuff that required sampling. I love A&S Day. I love the comradery. I love the exchanging of ideas. The chance to pick the brain of those who “know more”. I love the spirit of the day. Thank you all who let me play with your hair and sew it to your scalps. :) Thank you all who came from near and far. I am a very proud and content Baroness. You all Rock!

Help Wanted!! Your Barony Needs You!

The SCA relies on volunteers to fill all positions. Without you there is no Barony. Please consider taking on one of the following jobs:

Lists	Bardic Guild Head
Chirurgeon	Costumer Guild Head
Junefaire Volunteer Coordinator	Event Stewards for Upcoming Events

If you don't feel any of these would be a good fit for your talents. Feel free to approach current officers in other areas and volunteer to be a deputy. Often deputies are trainees to take over the job in the future, but deputies may also choose to fulfill only one aspect of an office lightening the load and making the game more fun for all.

The Ten Commandments of The SCA (As published in The Knowne World Handbook)

- 1) Treat your inferiors in rank, knowledge or experience in the society as if they were your equals; treat your equals as if they were your superiors; treat officers as representatives of the King; and treat the King and Queen with the reverence due your sovereigns.
- 2) Use medieval forms of address.
- 3) Be faithful to your lord and your word.
- 4) Gentlemen, honour all ladies.
- 5) Ladies, be worthy of that honour.
- 6) Touch no man's goods unasked; give and receive with grace.
- 7) Be gentle to the stranger.
- 8) Raise your sword, but not your voice.
- 9) Let the slain man tell if he be slain.
- 10) Reverence the King and Queen.

I would like to invite the children and youth of the barony to draw me some dragons! Those of you who remember when I was the "Crier" editor know that I will feature artwork from any age group on the cover. So, if you're under 18 and can hold a pencil, I'm lookin' at you!
