Proconsul Augusti Conchobar Mac Eoin and Proconsula Eilidh Keldeth, Baron and Baroness of Dragon's Laire to the Honorable Barony and noble people of Dragon's Laire, *Salutem nobilis populi*.

First of all it was our honour and privilege to witness the awe inspiring deeds of courage and honour on the field at An Tir West War. His Excellency would particularly like to thank the Myrmidons for fighting with the forces of the Barony and for being such great camp companions. The acts of bravery and skill were awe inspiring. Idomineus alone is a force to watch on the field, Diomedes leadership and valor, Neoptolomeus' power, Ajax's skill and might, Stelios' strength and Andromaches' courage were reassuring knowing that we were fighting with them and not against them. Thank you for your courage and prowess and for your sheer enthusiasm. Time and again it was a thing to behold them, they were always on the line, slaughtering and laying waste to our opponents. It was also a great honour to march to Their Majesties camp with them. Their word fame is all well deserved.

The Legio Draconis and The Storm Crows were no slouches either. His Excellencies most vivid image was being on the receiving end of a vicious charge during the castle battle, feeling the press of battle and the weight of The West against his shield and the weight of An Tir on his back. Our shields made up the bulk of the defense against their advance and, though he could move neither sword nor shield it was greatly reassuring to look around him to see Ermannrich, Primus of Dragon's Laire, Daniel, Hans, Frederick and Thorulf there with him, struggling and pushing against the vicious advance, a smile on their faces as Thangbrand, Cedric and Ben slaughtered the Wests forces from over our shoulders. Ermannrich himself was witnessed flinging himself valiantly against their wall of shields and spears spreading confusion and disorder while he extolled the army to advance and attack. Soon he will run the oars like the hero's of An Tir. Isabelle, though injured did her part and was brave and stoic on the shield wall with the Legion. The Cretan Archers, Nolwenn and Axylus devastated the Wests ranks as time and again they were up in the thick of battle reducing the Wests pikemen to harmless wrecks and opening opportunities for An Tir to charge into the holes they made. In addition Brian of Cardiff worked tirelessly to help with archery, Talon Jenea, Brighid and Cedric served Their Majesties and opened their camps to provide for the refreshment and rest of the warriors of Dragon's Laire and Arion the Wanderer devastated the West's line with his legendary skill not just of Arrow but great axe and Pike.

Ermannrich's bardic circle at An Tir West War and the Baronial encampment was brilliant. It was great to hear so many stories and sentiments and to hear the voices of this great barony. We look forward to many in the future.

This is just the beginning of a great camping season. We will be attending July Coronation in Midhaven. We would like to thank Master Arontious for arranging a reservation on the Eric's for the populace where the new larger Baronial pavilion will be set up so there should be room for everyone and we will be camping next to Blatha An Oir. We will also be attending Autumn War in Blatha An Oir. Let's not forget the Baronial picnic on the 1st of August and September Crown. We are toying with attending Stormgods but that might have to wait for another year. The travel coffers are a bit light at the moment. Our combined Last Chance and Lord Defender tourney in September at Longbranch is also coming up where the champions for heavy, rapier, archery and thrown weapons will be determined.

We would also like to remind people that we have received nominations for the June Faire discussion group and will be convening this body soon. If you have nominations for this committee please get them to us by the end of this week. We will announce the committee this coming weekend and be convening soon.

It is our honour to serve this Great Barony. Your generosity, friendship and companionship are greatly appreciated and we are humbled by your support and willingness to be Our companions, family and friends and to serve the Kingdom and Barony of Dragon's Lair.

Conchobar Mac Eoin, Baron of Dragon's Lair
Eilidh Keldeleth Baroness of Dragons Lair

Help Wanted!! Your Barony Needs You!

The SCA relies on volunteers to fill all positions. Without you there is no Barony. Please consider taking on one of the following jobs:

Lists
Family Activities Deputy
Bardic Guild Head
Costumer Guild Head
Event Stewards for upcoming events

If you don't feel any of these would be a good fit for your talents. Feel free to approach current officers in other areas and volunteer to be a deputy. Often deputies are trainees to take over the job in the future, but deputies may also choose to fulfill only one aspect of an office, lightening the load and making the game more fun for all.

Proconsul Augusti, Conchobar Mac Eoin, Baron to the Honorable Barony of Dragon's Laire Salvete Omnes.

Nominations for the June Faire advisory committee are closed. Voting can now begin. Please vote only once. You may vote either by paper ballot, which will be made available at practices until voting is closed at the end of July or you may email His Excellency personally.

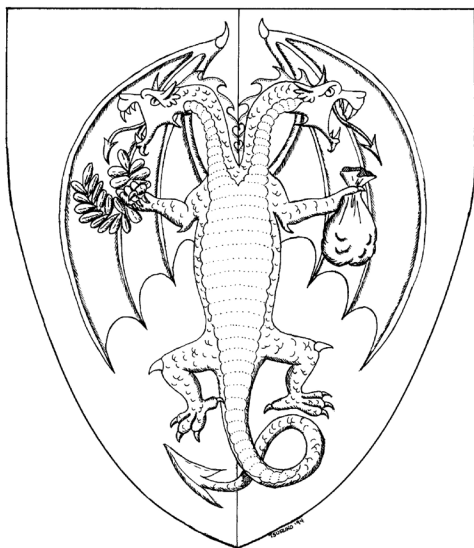

Please vote for only 9 people from the list below. In addition to His Excellency, Her Excellency and His Lordship, Renart, the committee will consist of a total of 12 people so there are 9 slots to fill.

Candidates may feel free to write statements or speak to the populace about their positions and ideas.

This committee is designed to advise the populace and June Faire board about the Barony's future vision for June Faire and it is assumed that anything is on the table, from cancelling the event to making it even larger and better.

Seneschal's Report

Good morning Dragon's Laire!

It is good to be back home! The march to WAR is a long and arduous journey filled with great danger, as our path took us through vast armies of dragons, going in what seemed to be every direction!

Their Excellencies Conchobar and Eilidh, with their mightiest warriors, traveled south as well, offering their support to our King!

Drums, drums in the deep, they are coming. Their King has led them, brought them up from the lands of old, now they make their camp at the waters edge. Fires burn, horns blow, as their frenzy is kindled. War has arrived.

In the end, those that had fallen in battle were brought back behind the lines, and as the smoke cleared and the sounds of battle faded away, a raucous party ensued. With food, drink, and music abound, all in attendance celebrated the day.

A great time, a great event!

Now we must turn our attention to July Coronation, 17-19 July, to be held in the Shire of Midhaven. Come out and watch as a new King and Queen assume their roles as Sable Lion and Lioness. Please check the event page on the Kingdom calendar for all information pertinent to the event. First and foremost, NO FIRES will be allowed on site, except for propane stoves, please make sure to have a fire extinguisher available, also there will be NO WATER available on site, you must bring all of your drinking and wash water with you.

In closing, I would like to again apologize for there not being access to the hall at Fight Practice last week, in the rush to WAR, I did not make proper prior arrangements to make certain that the hall would be open for your use. I will endeavor to not allow that to happen again.

In service to Crown and Coronet,

Renart

Barony of Dragon's Laire

Baronial Steward:

1. Re-organization and inventory of Unheated Baronial Storage Unit in process. My Deputy (Madrún) and I will be making this happen throughout the remainder of the year. If you need items out of the Storage Unit, please give me as much notice as possible so I can make the time to pull things out of the way as necessary to get to the items you need.

2. Due to the Storage Unit rate increases scheduled for September, the current plan is to combine the contents of both into the Unheated Storage Unit. Gold Key is leaving the Heated Unit for extensive cleaning, repair and cataloging (post June Faire). Broken material and items not used in many years are in the process of being removed from the Unheated Unit to make more space for return of Gold Key and remaining items of Heated Unit.

3. There is still a concern that Gold Key accidentally left incorrectly in the Unheated Unit could become unusable due to mold and other humidity and heat issues. If an inexpensive alternative for the Heated Unit is available to anyone, please let the Steward know.

4. If you need to get into the Storage Units for material at any other time, please contact the Steward at least several days prior to the need (the sooner the better), Arontius at <arontius@comcast.net> if you need access or if you have any questions. Either myself or the Steward Deputy (Dame Madrún) can meet with you at the Storage Unit depending on schedule.

Scribe: We had beautiful charters on display at June Faire that were handed out in court for our deserving populace. My deepest thanks to all our painters in the Barony for their amazing artwork, and especially for the support this lowly scribe has had from our DL Scribal Guild. I would also like to thank Their Excellencies for their patience in our charter design efforts and hunting down completed charter awards awaiting signatures. We are almost complete in our new award designs for Their Excellencies. Our last design work will be for Last Chance. I hope to have all inked designs with calligraphy, ready for distribution by the end of July. Please contact me if you need text for your award design or if you have any questions. I will continue to have loaner painting gear for Tuesday socials. Next Tuesday, July 14 we will have an introduction to scribal arts with hands on charter painting and calligraphy to follow the short overview. All materials provided, including chocolate.

Baronial Marshal:

Events

June Faire was a big success from a martial perspective. The all the tournaments seemed to be well received by participants and public alike. Official event reports have been filed with Kingdom.

Much of our practice time in June was devoted to preparation for An Tir/West War in all disciplines.

Heavy Armored

Heavy practice continues on Tuesday evenings at the VFW Hall in Silverdale. Practice is concurrent with the Baronial social, from 6:00 to 8:00 PM. Some fighters

Rapier

Rapier practices continue at the VFW Hall on Tuesday evenings in conjunction with the Baronial Social. Interest is good and we continue to draw new and guest fighters to our practices.

Archery

Archery last month was spectacular! At that little event we know and love, June Faire, we ran both a SCA and a Modern Range. The SCA range was filled to the brim with Archers. I saw many a seasoned Archer spend time helping our new members learn the range. So many helped as TAMs on the SCA range, and too many to list gave service on the Modern Range. The modern range saw 327 families over the course of the weekend. The modern shooters really enjoyed shooting at the dragon, thank you Thomas of Salisbury for bringing that most epic target.

We saw an influx of new shooters at Wednesday practice. The short range has grown from 4 youth archers to nearly 20 archers. The long range has been quite full as well with just as many seasoned and new archers coming out to shoot regularly. Archery Practices continue every Wednesday night at 5:30 pm until 7:30 pm (sometimes 8pm).

Thank you to all the archers in our Barony that help run the practice ranges. This gives all of us the opportunity to learn, to teach, and to shoot.

Thrown Weapons

Things have been going smoothly within the Thrown Weapons community. June Faire was a big success and we have had plenty people out on the line each week. No injuries, accidents, or incidents to report.

Equestrian

Practice opportunities are available with some of our Baronial Neighbors. Please see me for more information.

Youth Armored

Lords Avangr and Myrik continue to manage our YAC program. Practices are in conjunction with our regular Heavy practices on Tuesday evenings at the VFW Hall.

Siege

Please welcome Lord Milo as our new Baronial Siege Marshal.

Additional Practices

If you have an opportunity for additional practices you are strongly encouraged to take advantage of these. Please keep me informed so that I can include this information in my reports. Also, if you need or want the Barony to be more involved, don't hesitate to talk to me.

Lists: No written report by press time.

Chirurgeon: First off, I would like to thank HE Robert from Wyewood and THL Laurin of Rosewood for their help with Chirurgeon duties at June Faire. I was so grateful for their help and assistance!

No reports were made, no injuries were reported! Just how an event should be!

Minister of Arts & Sciences: No written report by press time.

Deputy A&S Minister: Next Tuesday (July 14) at 6.30PM will be the first of our summer A&S classes.

THL Ela will give a brief introduction and overview of the Scribal Arts (calligraphy and illumination) followed by a hands on class for those interested.

I'm still working on filling out the balance of the summer, if there's something you'd like to see or teach, contact me!

Librarian: Yes, we have books. Please contact me off list if you would like to borrow a tome or two. I hope to have the inventory done by the end of July and look for areas of interest that could use a new book or two. And its never too early to start research for Arts and Sciences or Bardic Championship projects...I expect to work with our webmistress to have the library catalog available to all online.

Chronicler: "The Flames" is now available online in .pdf via the Dragon's Laire website. It remains available in paper form to those who choose to purchase a subscription. Given the expense of producing "The Flames" on paper, the subscription price may, or may not, rise after I have a conversation with the Financial Committee. In addition to inviting the children and youth of the barony to draw me some dragons, I would like to invite the rest of you to send me accounts of your most bizarre SCA experiences.

WebMinister: The website is being updated tonight, info about the baronial picnic and last chance will go up shortly, as will the new page and copies of the Flames!!!! Other updates will proceed as I have time. If you've anything really important to put on the webpage, lemme have it. I'll get it up as soon as I can!

Chatelaine: In June we had a little event known as June Faire that brought many moderns to our lands. Several of these guests came through the Chatelaine tent where I sung the praises of our organization.

A week later we held our annual New Comer Night where several people I had talked to at JF showed up to learn more about who we are and what we do. Of those newcomers, I've seen several faces come back, whether it be for classes or for fighting. Please keep encouraging these new comers to get involved and be of any assistance you can to them so they can enjoy the dream as much as we do.

Coming up we have two demos this month for the Boy Scouts. The first one will be during lunch on July 16th and the second during a campfire celebration on the 24th. Please let me know if you can help with either of these. Please keep an eye out for emails regarding these demos.

There is one more demo on the horizon, however, I'm still waiting for the person to get back to me with a date and time. This demo will need to focus more on medieval life as we are not permitted to have a fighting demo. Fighters may come and discuss types of armor and the benefits and drawbacks of each type.

The Boy Scouts have asked us to do two more demos for them during their summer camps over the next two weeks. The first one will be during lunch on Thursday, July 16th, and the second one will be during their evening campfire for the scouts and their families on Friday, July 24. I'm still waiting on exact times and the location. If you can help with either one or both of these demos I'd greatly appreciate it. They're really looking forward to a heavy fighting demo but are open to all aspects of medieval life. Please let me know if you'd like to help by responding to me via email, or messaging me on Facebook.

We also have a request from the Jackson Park Youth and Teen Center for a demo in late July/early August. The Jackson Park demo can not have a fighting demo but fighters can discuss types of armor and the pros and cons of each type.

Gold Key: June Faire is now come & gone. We are now going through everything, to figure out, what's clean, what's not, what needs repaired, what needs laundered, what's new, what's not, & what age group the donations fit into.

We have now figured out that at June Faire, we outfitted at least 50% of all the visitors that came to June Faire.

Family Activities Coordinator: For the Baronial Picnic, Lord Emil has planned a Dragon Egg hunt, and there will be a Dragon Piñata.

Guild Reports

Bardic Guild: On hiatus until a new leader steps forward.

Costumers: I have nothing new to report. I'm available for help with garb at fight practices or during the week through email. If you need some help please feel free to contact me. allonsyjess@gmail.com

Culinary: We had a fine weekend at Junefaire, with the new set-up. Scented hand washing water and our collection of herbs provided and interactive display for the public.

Thanks to the loyal and perennial crew: THL Margaret, Lady Agatha, THL Theodoric, Lord Charles, THL Ela

Also to some new faces Lady Ciar, Lord Timran who are fitting in nicely.

Lady Bianca took on scullery duties on Sat which was very helpful.

Theodoric has taken on the task of refurbishing the Eagle's Brazier which we have had the use of for several years as thank you to them and the work is progressing nicely (costs to be borne by the guild)

Eight gentles attended our Night Out Dinner at the Korean Barbeque in Silverdale. They had cook surfaces on the tables for cook your own dishes which nearly overwhelmed in the amount of meat provided.

Our next meeting will be July 15th (Wednesday) at the home of THL Ela. Cooking will ensue.

At the August meeting, Brewing season will ensue. Wednesday August 19th.

Scribal Guild: We had our quarterly Guild meeting on June 30 at 6:30 pm, at the VFW Hall fight practice/baronial social.

14 -The Flames of the Dragon

We made \$65 at our June Faire display with our illuminated decorated letters and bookmarks. Thank you to all our scribes who have painted and designed charters, as well as demonstrated the arts for our Guild this June Faire. We are honored and privileged to have such talents in our Barony. Attending our scribal demo with me at June Faire were THL Rhiannon of Eagle's Flight, Lady Kathryn of Tunstall, Lady Mona de Vinci, Lady Ciar, and Lord Tenar (our support staff). We displayed newly painted charters around the walls of our scribal tent this year, nearly blinding all in amazement from the gilded talents of THL Renart and all our gifted scribes. We will be sure to add this feature to our future scribal displays, kindling interest in our SCA world and sharing the talents of our gifted artists.

Another thank you to all the guild members for our newly drafted charter designs and for supporting our doggedly determined baronial scribe. We are almost through all our baronial awards, with the last charter designs to be completed for Last Chance.

We discussed our next scriptorium class for the summer and will have a gilding class in August, taught by THL Renart the Fox of Berwick. This class will require at least 6 hours, date and time to be determined. Our Tuesday night painting table at VFW will continue through the summer.

Our webpage on the DL baronial website will be aligned to a new Facebook page. We will have a scribal news column, our guild meeting posts, scribal lessons to try at home and share on Tuesday socials, and various scribal links/resources. PDFs of our blank versals and bookmarks will be available for downloads on the webpage.

We will be attending Arts Unframed in Wyewood on September 26 as a group. Please let me know if you would like to participate in our DL scribal tent at the event. Check out their website, the event looks like a fun time.

Textile Guild: The Textile Guild will meet Tuesday, 21 July at 6pm at Mad-run's. Bring an inventory of any dyeing equipment or supplies you have, and your thoughts about what dyes and fibers you would like to experiment with. The meeting will focus on scheduling dye days for the early fall and acquiring the dyestuffs and equipment each of us will need.

Last Chance/Lord Defender: Last Chance is moving along as scheduled. For those that do not know the event will be held at the Longbranch Improvement Club on 18 - 20 September. This will be our Championship tournaments for the Barony. This year it is going to be a little bit different as that we will be combining the event with the Barony of Blatha an Oir. I do ask that all of the Baronial Officers to include List, and all of the current champions please get in touch with you counter part in Blatha an Oir to coordinate your tournament to ensure that everything runs as smooth as possible. Also if you want to run a class or some sort of A&S event thing please coordinate with the Baronial A&S Minister THL Mateusz z Polcka.

If you would like to volunteer to help, please email me off list to caleb.dodge@hotmail.com, and in the subject please put "Last Chance Volunteer". I will post more information as I get it.

What Is It?

Chronicler's Corner

Many thanks to Madeline of Blackberry Hollow, age 15, for the dragon she drew for the cover this month! You want to be next? Well, if you're under 18 and can hold a pencil, I'm lookin' at you!

Grownups, what has been your most bizarre experience in the SCA? Care to share it with "The Flames"?
