2 -The Flames of the Dragon

Greetings unto the noble populace of Dragon's Laire. We have such delights to share with you and Their Royal Majesties. Our Barony has been busy, and her people prosperous.

To begin with, we would like to congratulate Our newest Baronial Champions, Dame Gwen the Potter, Arts & Sciences Champion, and His Lordship Ermannerich Guotmann, returning Bardic Champion. We are pleased to welcome you into our court and know you will serve your Barony well.

Candlemas was simply an amazing event. The skill and talent of this Barony never ceases to amaze Us. We would like to thank all those who entered the Champion competitions, those who submitted papers for the Scholars program, those who did single entries, and those who participated in the "Guess Who" display. We recognize the hard work, preparation, talent, dedication, and courage it takes to put yourself out there, and participate as you did. Thank you all. Each of you added to the enrichment of the event.

The feast was excellent. The cooks and staff performed flawlessly. Thank you all so much for your time and effort. It is important to note that food plays a significant role in strengthening the social ties of our Barony. A good feast gives us time to gather and enjoy each others company in a way that allows us to interact as family. Thank you Renart for organizing the feast and thank you to all who helped prepare, cook, clean, and serve. Your skill and work was greatly appreciated.

We would like to express our deepest gratitude to Dame Madrun and her impeccable staff. You ran a fantastic event, We are so very appreciative of all you do for Dragon's Laire.

We would like to thank Her Majesty Driffina Ulfgarsdottir for adding her grace and presence to our gathering. It is always a pleasure, and We look forward to when we are next graced by your visit at June Faire.

Speaking of June Faire, AWARD RECOMMENDATIONS if you please? Both Kingdom and Baronial level awards will be given out at June Faire. We would like to hear from you of the great deeds and daring do of the populace of Dragon's Laire. If you would like to submit a Kingdom award, please let us know so that we too can add our voice to the endeavor. We would also like to hear your recommendations for Baronial Awards. We do our best, but We can't be everywhere and see everything, and We depend on your good advice to help us give due recognition. Submit your recommendations TODAY!

It was Dragon's Laire's pleasure to host the recent Regional War Practice. The weather cooperated, and we had an impressive turn out. We had people come from

Blatha An Oir, and Glymm Mere to help knock the rust off of our armor. By all accounts it was a glorious day. We cannot stress how important these practices are in strengthening ties with our neighbors, providing opportunities to hone skills and develop contacts among the fighting community, and ultimately provide a well trained, and cohesive army for the glory of His Majesty. The next Regional War Practice is yet to be announced, but rest assured the information will be passed along as soon as it is made available. We are eager to see the might of Dragon's Laire well represented.

Next Month is Baroness' War, and you all should know by now how much your Baroness loves a good rumble. Come help her run amuck and demonstrate why all should tremble before the might of our Barony and "Beware the Laire".

Kingdom Arts & Science/Bardic Competition is this weekend, and we encourage all to attend. It is an amazing opportunity to learn new things, see the skills of the Kingdom on display and meet new people. There are many from our Barony who have worked hard to make this event happen and our support would be greatly appreciated. Our own Marquessa Laurellen will be stepping down as Kingdom Art & Science Champion. Help her celebrate a year of service to our glorious Kingdom.

His Excellency is also travelling to War in The Oasis with members of the Legion on the 12th of this month. Come and join your brother's in arms and fight for Dragon's Laire.

We would also like to express our excitement and whole hearted congratulations to Our Seneschal and friend, His Lordship Renart the Fox who is to be elevated to the order of the Pelican this weekend. His vigil will be held this Friday night. Please come by and congratulate him on this most auspicious event.

Their Excellencies progress is expected as follows: Kingdom A&S and Bardic, Baroness' War, Maypole Faire, and May Crown. As always we invite anyone interested in spending some time as Retinue to please contact Mistress Aelianora or Ourselves on how to join in the fun.

In Joyous Service to the best Barony in the Known World.
Baron Conchobar MacEoin Proconsul & Baroness Eilidh Keldeleth Proconsula of Dragon's Laire.

Help Wanted!! Your Barony Needs You!

The SCA relies on volunteers to fill all positions. Without you there is no Barony. Please consider taking on one of the following jobs:

Family Activities Coordinator

Bardic Guild Head

Costumer Guild Head

Event Stewards for upcoming events

If you don't feel any of these would be a good fit for your talents. Feel free to approach current officers in other areas and volunteer to be a deputy. Often deputies are trainees to take over the job in the future, but deputies may also choose to fulfill only one aspect of an office, lightening the load and making the game more fun for all.

Seneschal's Report

Unto Their Excellencies Dragon's Laire, Conchobar and Eilidh, Baron and Baroness and the populace, a blustery March!

Tourney season is soon to be upon us! Are you ready for camping, camping and more camping? I am more hopeful for warm weather, then the rest will soon follow. The Barony seems to be all a fluster with the heavy armored fighters and the olyphant tossing siege guys looking for war, the fancily dressed rapier fighters looking to toss down the gauntlet for a duel and everyone else with their own ideas of fun for the summer season out of doors.

First off!

Kingdom Arts and Sciences and Bardic Competition shall be next on the list. The Barony of Glymm Mere shall host the event in Ocean Shores at the Shilo Inns on the 4th, 5th and 6th of March. The entire event shall take place in this beautiful hotel, next to the Pacific Ocean. Surely it will be a fabulous time that you will not want to miss. Hope to see you all there!

Bring your projects to Arts and Sciences Day, April 2nd

Out on the not too distant horizon, looms June Faire! With all things Dragon's Laire, we shall rise to the occasion and put forth an unforgettable event. HL Talia and the June Faire Board will organize a fabulous event, they will need our help, many hands make light work, and this event definitely takes many hands.

If you have interest in becoming more involved in the workings of this great Barony. Come talk to me and we will see where you might fit in to take a more active role in this game we play.

Baronial Steward:

1. If you need items out of the Storage Unit, please give me as much notice as possible so I can make the time to pull things out of the way as necessary to get to the items you need. Contact me at <arontius@comcast.net> if you need access or if you have any questions. Either myself or the Steward Deputy (Dame Madrun) can meet with you at the Storage Unit depending on schedule.

Golden Dragon Pursuivant: We had a Grand Procession during the afternoon at Candlemas which went pretty well. Thank you to those who rendered assistance: Countess Elisabeth with organizing and Maestra Althaia filia Lazari and HL Marion for heralding.

There was both Royal and Baronial court at Candlemas. Thank you to Maestra Althaia for her assistance during court. The court report for Baronial court is below. Award updates have been sent to Dexter Gauntlet for inclusion in the OP.

June Faire is coming! We need field heralds to herald the various tournaments throughout the weekend. Please consider helping out. Training will be available. Countess Elisabeth is also available at most Tuesday night fight practices for heraldic consultation. *Editor's note: Sensei Tsuruko's Candlemas Court Report appears on pages 14-16.*

Scribe: Thanks to the diligence of our most excellent scribes, we provided all the charters requested for Candlemas. Now our focus shifts to June Faire, and building up a library of completed charters to draw upon for that event.

We are down to the last few charters to design; we hope to have at least one design for each by June Faire.

If anyone is interested in designing or painting charters, please feel free to contact me on the list or at our weekly fighter practice/socials. I plan to be at all of them, although our decidedly interesting weather as of late has occasionally prevented attendance.

Baronial Marshal:

Events

At our Candlemas event, we held a fight practice that was appreciated by the participants despite the wet conditions. Many thanks to those who supported this practice while I was committed to the competition. Dragon's Laire also played host to the Regional War Practice this month which was very well attended by Dragon's Laire fighters and those of our neighbors.

Heavy Armored

It's time. Get your armor out and tuned up for Dragon's Laire practices which will be held on Tuesday nights in conjunction with the Baronial Social. But in order to take advantage of what little light we have, we will be starting practices

6 -The Flames of the Dragon

at 5:00 pm. The building will not be available until the Social begins at 6:00 pm. We will hold practice as long as we can manage the weather and light, or 8:00 pm, whichever comes first.

Rapier

Rapier practices continue at the VFW Hall on Tuesday evenings in conjunction with the Baronial Social. Interest is good and we continue to draw new and guest fighters to our practices.

Archery

Archery practices are on Sunday afternoons at the VFW Hall when the weather and mud gods permit. See the Baronial Archer's report for full details.

Thrown Weapons

Thrown Weapons practices are in suspension due to the limited light. See you in the Spring!

Equestrian

Practice opportunities are available with some of our Baronial Neighbors. See me if you would like more information.

Youth Armored

Lords Avangr and Myrik continue to manage our YAC program.

Siege

The Dragon's Laire siege engine and crew participated in the Regional War Practice this month. Work continues on a catapult and a second ballista with hopes that both will be in action for the coming war season. Also, the Dragon's Laire siege crew is working with Kingdom on investigating target siege.

Additional Practices

If you have an opportunity for additional practices you are strongly encouraged to take advantage of these. Please keep me informed so that I can include this information in my reports. Also, if you need or want the Barony to be more involved, don't hesitate to talk to me.

Chief Acher: There was no archery in February due to the gods of rain.

Lists: No report at press time.

Minister of Arts & Sciences: February was a busy month for A&S in the Barony. The Baronial A&S and Bardic Championships happened at Candlemas along with The Scholars of Dragon's Laire papers presentations. I want to extend a big 'thank-you' to everyone who entered or presented and I want to thank the Baronial populace for attending the presentations - often, the presentations were packed, which was spectacular. Congratulations to Dame Gwen the Potter as our new Baronial A&S champion and to HL Ermanric as our Baronial Bardic champion. Also, congratulations to Dame Aelianora and Dame Madrun, whose Scholars papers were accepted into the program. Dame Madrun, on behalf of the Scholars of Dragon's Laire, presented bound copies of the last several years of Scholars papers to Their Excellencies at Candlemas. These will reside in the Baronial Library and be available for the populace to read.

The semi-annual Baronial A&S Day Camp will be happening in April - with a twist. We will be sending specific invitations to Baronies around the area with the hopes of turning this Day Camp into a regional get-together. We will again be holding it at the VFW hall which means that there can and probably will be a martial component or two, as well. Please stay tuned for more information, which I will post after Kingdom Arts & Sciences, this week-end.

Speaking of which, I relinquished my title as Baronial A&S champion at Candlemas and will be relinquishing my title as Kingdom A&S Champion, this coming week-end. Thank you all for your support for me this entire past year and I look forward to continuing as your trusty Baronial A&S minister.

For information on Guilds, please see each Guild report.

If you are holding classes on a regular basis, please let me know. The Kingdom asks that we report what types of classes and how often we hold them, here in the Barony, and I would very much appreciate being able to include your class in my report to Kingdom. Thank you to those individuals and groups who have been sending me this information.

Lastly, it's that time of year again. LARGEES!!!! We NEED LARGEES!!!! Several groups in the Barony are preparing largess to send to Kingdom at May Crown in preparation for the SCA 50th Year Celebration. Please consider donating your time or talents to this noble endeavor. If you have questions about what you can donate or need ideas on things to donate, please don't hesitate to contact me - either in person or via email. I will hold a largess workshop at our upcoming Day Camp as well.

Gamemaster: I was able to get all of the Baronial Games from Yvon which included the sashes for the Human Chess and what he started on getting a book of games. There was also a book on Medieval English Culture that I donated to our library and information on the whereabouts for the tiles for Human Chess.

There were games and family activities available at Candlemas which included giving a bag of marbles to each child in attendance- with parents approval.

Will try to have games available at every social that I attend, just ask and they will be pulled out of my truck.

Librarian: Two books have been donated to our library: "Medieval Panorama, The English Scene from Conquest to Reformation by G.G. Coulton (Cambridge Univ. Press 1939) and "Pleasures and Pastimes in Medieval England" by C. Reeves (Sutton Publishing Ltd 1995). Both books have some uncommon illustrations, but mostly of interest are the annotated chapter notes, complete index and bibliographies for further study. Thank you, THL Stephen of House Awry and Lord Emmel for your generous donations to our Baronial Library. I would also like to thank Dame Madrun for binding our past Baronial Scholar papers and making them available for our populace to peruse.

If you would like to check out these or any of our Baronial Library books, please contact me at: elaynisdewi@gmail.com

Chronicler: Please forgive my extreme tardiness with the February "Flames".

8 -The Flames of the Dragon

Some unexpected legal stuff having to do with Marcus' death came up, and by the time I got out from under, it was too late to call for backup. The web version of the newsletter will be up as soon as Aelianora has a minute, and the print version will be delivered sometime next week. Those of you with print subscriptions will receive an extra month at no charge. The March "Flames" will be on time. It should be obvious that I really need a deputy. No experience required. Please contact me if you're interested.

WebMinister: This past month has been pretty busy, especially the last week or two. Lots of sewing! Updates to the webpage had happened as they are wont to do. There will be a big update after this weekend.

March is the month to renew all our website domain names. I will do that after this weekend!.

June Faire Populace Listening Session Number 4, February 9, 2016
(notes taken by Tsuruko Sensei)

Topic: Arts and Sciences (A&S)

The discussion was led by Dame Madrun and is arranged per the topics below.

What do you like most about A&S at June Faire?

Artisans like getting their geek on all day in front of lots of people.

The Arts & Sciences Village and living history area drew a lot of people. The public was engaged. His Excellency would like to see this area enhanced, perfected and grown in upcoming years.

We get to show the public that we're not just about fighting. We show skill and education in our respective areas. It enhances our visibility to the public and emphasizes that we're not just another bunch of role-players.

We like to share what we do. It recruits new members. Ela would like to see the link to the scribal page get fixed so she can refer people to it after the event.

What do you want to see at June Faire?

Interactive tour guides or self-guided tours.

Kid's scavenger hunt or other kid-friendly activities. Have stations with supervised activities for children.

Get families involved doing an activity together. Interact with the public. Not all demo activities are conducive to this. Try to do more activities that can have public participation.

Include artisans from outside the Barony. There is lots of excitement among those who have done it in the past.

Try to have the period village closer to A&S. (Note: location is influenced by site topography).

How are you willing to contribute to A&S at JF?

Master Arion will be making coins. The Moneyers will be working all day.

THL Mateuz and Master Ralg are hosting the woodworkers.

12 -The Flames of the Dragon

Countess Elisabeth and Dame Eleanor will be showing flax processing.
Camp Fromage Party Band plays period music on period instruments and is very popular.

Have a Tailor Shop.

Have the scribes and other guilds in the A&S village. They wanted to do this last year but couldn't due to site configuration.

Schedule activities and make it known ahead of time. Even a rough schedule helps both artisans and visitors.

Have roving merchants with period merchandise. Must be a paid SCA merchant, not just somebody who shows up and expects to sell. Could also run a scenario where goods are delivered to a shop. Kamar notes that many merchants started out as wandering merchants.

Have busking stations for bardic.

Have flags for sale for \$5.00 each similar to what was done at 12th Night this year.

Have kid friendly activities in A&S. There is no separate family activities area.

Other discussion:

The culinary guild can't give out samples anymore because of food service licensing difficulties (cost and paperwork).

We need to work on traffic flow in the A&S area. The new site may provide a layout that improves traffic flow.

Lack of feedback – people don't know what's going on.

Most activities need extra people to help. This is a good opportunity to learn. Mrq Laurellen had helpers last year. They didn't know anything about painting when they started but learned a lot by the end of the day.

Have cheat sheets for the helpers.

Get input to see what people want.

Try to stagger schedules. We have many people and activities and some conflicts are inevitable. However the Minister of Arts & Sciences will try to minimize this if it's possible.

At a recent September Crown the erics were surrounded by the merchants. Could we do this with A&S at June Faire?

There are long lines at the food merchants. People doing demos can't be away from their booths that long.

Docents at the A&S Village worked very well. They knew what questions to ask which better educated the visiting public.

Let the populace know what the A&S schedule is ahead of time so they can volunteer to help.

If merchants and A&S can be placed together it benefits both groups and increases traffic.

Jess is willing to facilitate a kid's scavenger hunt at the Chatelaine's booth. She has leftover tokens that can be given as prizes.

Better signage is needed to show where the A&S area is. What part is merchants, what part is A&S?

Is Games part of A&S? (yes) Where to place it?

There was some discussion about how much work June Faire is and the reality that most people working a demo area don't get the chance to see the rest of the event, much less the A&S area so they don't know the kinds of activities that are available. It would be nice if the A&S demo people could get away to see some of the rest of the event.

Mrq Laurellen has had questions from outside the Kingdom regarding how we run June Faire and the A&S Village. People are very interested in its success.

The schedule for future Listening sessions is as follows:

Camping & Marshallate – Needs to be rescheduled

Logistics/Infrastructure – TBD

Volunteerism - TBD
