Current and Future Projects

- Dragon's Laire Book Project: Coordinated teaching and production to create a period manuscript working with recipe redactors, cooks, paper makers, scribes, and book binders.
- Finish the experimentation to complete the redaction and then do a single-entry presentation on Apicius' 304 Aliter Dulcia (Another Sweet)
- Work with the Culinary and Spirit-makers Guild on three new recipe books
- Complete the paper comparing Irish clothing pre- and post- Viking Settlement based on extant findings and writings
- Apothecary research into Irish herb lore and uses

Interests

- Recipe research and redaction: Roman, Saxon, Persian, Irish
- Siege cooking
- Scribal: charter painting and early period design
- Irish persona, ~600AD
- Apothecary: early period healing, period use of food as medicine
