 - b.) Savings: \$24,299.37
 - c.) CD: \$10,318.39
- b. Signatories: Working with the bank to complete signature cards.

2. Event Bids:

- a. None at this point in time.

3. Purchases/Expenditures/Fund Raising

- a. Replacement Check for Candlemas, 2020, Site Fee: In March of 2020 Check No. 3563, dated February 6, 2020, in the amount of \$250.00 was given to Our Savior Lutheran Church as a donation for the use of their Church in Bremerton to host Candlemas, 2020. It was never deposited by them, and after an extensive search of their facility it was determined to be lost. The Baronial Exchequer requests a replacement check be provided to them for this Site Rental as this venue will most likely be used in the future and we want to maintain good relations with the Church in any case. Does the DLFC approved.
- b. Request for Baronial Funds to purchase (20) copies of the Known World Handbook, 2010 edition, from SCA, Inc.. At least some copies of this order would be provided to Baronial Sergeantry Candidates for their education in the Sergeantry process. These would be available for anyone who asks for a copy. The cost of these (20) copies would be \$440.00 (plus any applicable taxes and shipping). DLFC approved.
- c. Renewal of Storage Unit Lease, \$3,212 for the next 12 months. DLFC approved.

4. Administrative Actions:

- a. The current Baronial Exchequer, Michael Aaron Rogers (AKA Arontius of Bygelswade), intends to step down from this position upon completion of the 2020 Financial Reporting (early in 2021). The current Deputy Exchequer, Heidi Schulmeyer (AKA HL Adelheide Leeuwin) is in the process of being warranted and is fully capable (and eager) to take on the role. As required, this notice is being posted to advertise the open position in case others wish to apply for the office. If you wish to apply, please submit a Letter of Intent to the Baronial Seneschale, the Baronial Exchequer, and Their Excellencies. Because the Office deals with modern legalities there is more scrutiny placed on applicants for Exchequer than there might be for other offices. Please contact the Exchequer if you have questions.
- b. Addition of Heidi Schulmeyer (AKA HL Adelheide Leeuwin), as the Baronial Deputy Treasurer for the our branch (SCA, Inc.; Barony of Dragon's Laire). The Society Administrative Office in Milpitas has provided Kitsap Bank an Authorization Letter allowing Heidi Schulmeyer to be added to the accounts as a signer. Kitsap Bank is processing this request at this time.
- c. Budget for 2021 under review. Budgets, with expenditures, made available to the Baronial Officers. Updates to be incorporated with a Preliminary 2021 Budget to include listing of 'standard purchases' by Baronial Officers and issued over the next several weeks for review and revision. In December the Baronial Financial Committee will review this budget and incorporate whatever changes deemed necessary and it will be made available to the Populace for review. Final budget to be ratified by January, 2021, Financial Committee Meeting. At that point, final copies can be requested by Baronial Members from the Baronial Exchequer.
- d. Financial Policy approved earlier in 2020 is being revised to clarify language and to include additional functionality to it (for example, the ability to allow the Barony to petition for Electronic Funds Transfer (EFTs) approval from Kingdom in the near future). Rough Draft still undergoing extensive review and revision. Rough Draft will be made available when possible. With a Financial Policy recently approved by Kingdom (July, 2020), there is no time requirement currently attached to this update.
- e. The Kingdom of An Tir performed a Book Review of the Dragon's Laire books and accounting process on October 31, 2020. The Barony passed the review with no issues which concerned the Kingdom. There was a good discussion of 'best practices' and ways Dragon's Laire could improve its current processes. The Kingdom Exchequer was present, as well as the Kingdom Book Review Deputy and others listening in via Zoom to learn the process of a Book Review. It was a good discussion.
- f. Investigation on various savings programs to see about placing excess funds from the Dragon's Laire bank accounts so as to earn some additional interest. Baronial Exchequer has reached out to other Exchequers across the Known World for advice and is gathering input. Findings to be presented at December Financial Committee Meeting.
- g. Upgrade of Baronial Checking Account. At the October DLFC Meeting, the Baronial Exchequer requested a change to the Kitsap Bank Checking Account, an upgrade to 'Commercial Checking'. This would be an increase of the current \$3.00 a month Service Fee, to a \$20.00 a month Service Fee. The current Checking Account only allows single entry, which does not allow the Seneschal to act as a Second Check for banking activity as outlined in SCA Financial Policy. Additionally, Society is set to roll out new allowance for branches to receive permission to utilize Electronic Funds Transfer (EFT) in order to facilitate payments electronically instead of writing checks for every expenditure. This speeds the timeliness of payments, avoids mailing errors, allows for easier payment for purchases such as insurance

riders, emergent delivery of goods and services to events, etc. This upgrade to this expanded service capability was approved by the DLFC at the October, 2020, meeting and is in process with Kitsap Bank.

5. Long Term Maintenance Agenda Items (Maintained on this agenda until resolved):
 - a. Sale of Archery Equipment (Bows and arrows) purchased from Ed Radford estate: Purchased for \$400 (estimated value of between \$1,300 and \$1,600). Plan is to sell as appropriate (SCA usable equipment to SCA participants, and non-SCA equipment to wherever it can be sold). After the initial outlay from the Barony is re-paid, remaining profits will be directed into special funding stream for similar purchases of loaner gear, or gear for new members (for purchase). Dave Peters (Master Arion) is the organizer and director for this action. Over the past month, Jack Crockett (AKA Sir Andras Truemark) listed the two modern bows as separate items on an online auction site (in an attempt to sell for maximum dollar value). On November 9th, the Baronial Exchequer received a check in the amount of \$156.00 from Jack Crockett as proceeds of the sale of bows. Remaining items are up for sale now.
 - b. Purchase of three Baronial Day Shades: Canvas was received in June. Poles, ropes, and stakes to be manufactured / acquired and Day Shades assembled for storage. Her Excellency Kloe is managing this effort at the moment. Several people volunteered to assist in this work. M'Lord Kamar (MKA Raymond Hicks) volunteered the use of an Industrial Sewing Machine for the manufacture of Canvas Bags in which to store Baronial Owned Equipment. If you have equipment, or time, you can donate for this cause, please contact Her Excellency Kloe. No updates today.
 - c. Reservation of Ocean Shores Convention Center in support of Twelfth Night, 2022: Because of the cancellation of the In-Person Twelfth Night of 2021, and the subsequent move of the venue to 2022, Dragon's Lair will be required to re-submit a bid for Twelfth Night 2023. Reservations made for The Shilo Hotel and the Ocean Shores Convention Center have been cancelled. Check No. 3568, paid 03/11/2020, in the amount of \$3,000 has been reimbursed by the Ocean Shores Convention Center and was deposited on November 4, 2020. This Maintenance Item will be removed from the agenda after this reporting cycle.
 - d. Purchase of 'Gender Buttons': Check No. 3546, paid 12/15/2019, in the amount of \$137.50. Buttons received. Re-sell / dispersal plans to be considered when Events and In-Person Gathering begin again. Jessica Bennet (AKA HL Jess of the Roving Irishmen) will make arrangements to get some to you separately if you would like to obtain some.
 - e. At the Business Meeting / Financial Committee Meeting of May, 2020, the Baronial Steward proposed to the Baronial Financial Committee a purchase of stamps to identify individual canvas storage bags for items contained within the Storage Unit. There will be eight stamps, manufactured by our local artisan, Kat Kelley (AKA M'Lady Skalla (Yafa Minister)), with a total anticipated price estimated to be \$400. This was accepted by Committee. Manufacture in process. No check has been issued yet in support.
 - f. New Baronial Coronet Spacers: Over time, a number of the spacers created by Pat Conlin (AKA Duke Torgul (the artisan who manufactured the Baronial Coronets)), have been lost. Dave Peters (AKA His Excellency Arion) approached Duke Torgul with a request to manufacture up to five whole spacers (with both the artwork of the Baron and Baroness) and at least one or two half-sized spacers, plus the pins required to hold them in place on the Coronets. To be able to provide a quote, Duke Torgul needs to have an example of each type to recreate the exact artwork, and locate the exact materials to be used. It was requested of the Dragon's Lair Financial Committee that two of these spacers be sent to Duke Torgul so a quote could be produced. The Dragon's Lair Financial Committee

approved this move at the September Business Meeting. As of the October DLFC Meeting, Pat Conlin had the example spacers in his possession and will soon begin work on them, with completion tentatively set for early December.

- g. Baronial Throne Seat Cushions: The new Baronial Thrones need new seat cushions. We are seeking an artisan / craftsperson to create these items, and an accompanying bid to include a price for all the materials involved in this project. The Barony of Dragon's Lair is rich in talented individuals who could perform this vital service to the Barony. If you are interested, please contact either the Baronial Exchequer, or Their Excellencies Arion and Kloe. We can help with design, as well as putting together a bid. The Seat Cushions need to fit an area of 19" wide and 18-1/2" deep. Ideally, they would incorporate the heraldry, and the heraldic colors, of Dragon's Lair. UPDATE AS OF SEPTEMBER, M'Lady Lucy of Waterhus (MKA Susan Levitt) is working on a design and proposal, and would welcome help if anyone would be willing. She has even volunteered to donate most (if not all) the involved materials. If you have ideas, want to get involved, or have any questions, please do not hesitate to contact either M'Lady Lucy, or any member of the Dragon's Lair Financial Committee.

Business Meeting Reports and Notes:

Baron and Baroness: Baroness Kloe of Thira and Baron Arion the Wanderer.

Greetings Dragon's Lair,

As the Fall chill and gentle rains settle on the Barony, we prepare for our Virtual Yule Celebrations. We are working with Kosem, our Social Media Deputy, to find the best way to collect your photos of past Baronial and SCA activities to share. Even though we can't meet up in person, we can still share the fun! Court will happen! We plan to give out a number of Awards as part of a live feed. Please join us in honoring some of your fellow members of Dragon's Lair. Classes and Bardic activities are also in the planning stages.

With Yule in the future we would like to distribute holiday cards to any who wish to receive them. If you would like a card please fill out this form so that we can send you one:

<https://tinyurl.com/DLCardContact>

Another way to see smiling faces of our SCA family is to join our weekly Virtual Socials on Tuesday evenings at 6 PM. If you would like to offer a class as part of the Social, let us know! Here's the Zoom link: <http://tiny.cc/dxoasz>

And speaking of classes, our own HL Eilidh Keldeth is offering a class on Nalbinding this month: <https://www.facebook.com/events/1272482943102252> There is a wealth of classes being offered virtually across the Known World. You now have incredible opportunities to learn for people you will probably never be able to meet in person!

The New Dragon's Lair Sergeantry program is out for review. We are getting great feedback that is helping us build an even better program. This isn't your grandfather's Sergeantry! Rather than a year long study with a make or break trial at the end, the goal of the program is to build effective teams that are knowledgeable about all aspects of the SCA. Full details will be announced during Court at Yule, we hope to see you there to find out more!

Largess is a way to share your arts and skills beyond our borders. With the down time between live events we are always looking to see what items you have been working on for future Largess. At this time we are preparing care packages to send out to other baronies, if they wish to receive them, to share as events begin again sometime next year, or as thank you's to those who work hard virtually within their baronies. We are also putting together item's to share within our grand barony as well. If you have items for largess and wish to hand them off, please contact Baroness Kloe of Thira to arrange a porch drop or pick-up. If anyone wishes to teach a virtual class on various largess style projects (bags, necklace making, painting cards, etc) please reach out as well.

We are always looking for Award recommendations from the populace. If you know someone doing wonderful things, please let us know. Here's the form!

Dragon's Laire, An Tir

Seneschal: [THL Ciar ingen Fiachnae](#)

Greetings Good Gentles of the Barony of Dragon's Laire!

I have received feedback from the Kingdom Seneschal on our Customary and overall we are in excellent shape! There are two things that need added, one they had a question about, and a few typos. Once those corrections are made the question satisfied, our Customary will be officially approved!

There have been no updates about when activities will resume in Washington State. Given the recent spikes in infections in both the county and State as well as across the Kingdom, it is unlikely to be soon. I understand that this may be frustrating but keeping the Populace safe is the primary concern. For an update on Washington's current status, a media briefing was released on November 10th and can be viewed <https://www.tvw.org/watch/?clientID=9375922947&eventID=2020111030>

Yule planning is underway. It will be virtual with an Ethereal Court. Because of the nature of the event, we may need release forms those providing content. These forms protect you, the owner of the content, and let you outline how the content can be used by the SCA. We are utilizing an online form for these releases - this avoids any issues with having to print and then scan things for submission, which should make the process even smoother. More details to come from Master Arontius during the Yule update.

Please continue to be safe! Not only do we still have the pandemic, our weather has taken abrupt turn to wet and freezing with the accompanying power outages and downed trees!

Of course, as always, let me know if you have any questions!

Many Thanks! Arontius.

Marshallate

Hail! Great and Dreaded Barony!

Here is your Baronial Mashal Report for the Month of October of the fearsome year of 2020.

The weather has turned cold and the rains and wind make cool the fervor of our battle lust, our hearts yearn for the feast and fest that fits the season but no tourneys or shows of arms are to be had. But keep heart for the fire within our warriors remains unquenched, and once the miasma of plague has left our shore we stand ready to unleash the fury of dragons!

Greetings, and welcome to November!

Over the past month I have welcomed several new contributors to the site, and I've been helping to plan for both Yule and Candlemas.

In addition, I'm working on some cleanup and reorganization of the site, especially the "Forms and Resources" page. I plan to break that page into several different pages to make it easier to find what you're looking for and reduce the need for endless scrolling.

Looking to the future: I'm hoping to add a new section to our site to help keep the dream alive during these strange times. The short version: I'd like to collect some beginner-friendly information about a variety of activities which people can engage in, or at least prepare for, even in relative isolation. I'm just getting started on this but may be contacting various members of the Populace for specialized knowledge and information as the project gradually moves from idea to reality.

Yule 2020: Master Arontius:

VIRTUAL DRAGON'S LAIRE YULE FEAST -

Greetings All!

The Yule Feast Planning Team met last week and collaborated on a tentative plan to support the traditional Dragon's Laire Yule Feast Celebrations, to be held this year on Saturday, December 12th. The start time is 10AM. Online activities will be held throughout the day, culminating with a Court from Their

Excellencies Arion and Kloe. After Court, Countess Elizabeth will be hosting a Virtual Feast, showing what was planned for the actual feast in-person and how it was prepared. This tentative plan also includes a sound-track put together by Countess Elizabeth in order to help promote jolliness of the season.

The below are the tentative plans at this point. We've experimented and performed various aspects of what we want to do with our Virtual Event as part of our Baronial Operations to date, but this is probably our most ambitious plan to date to encompass an all day affair, so more planning is required as well as contingencies for things that do not work out as expected.

We are planning to utilize Zoom in order to facilitate the Event. It can be broken out into different rooms / separate venues in order to support various classes, lectures, presentations, etc.

The majority of the day will utilize an Arts and Sciences theme, so Magistra Aelianora de Wyntringham is the central point-of-contact for most such activities and should be consulted on activities you may want to include, or ideas you may have. I'll be helping her closely to coordinate everything into a cohesive structure. So please ask one of us if you have any questions whatsoever in this regard.

Please consider contributing to the day. Subjects we are looking to include:

- * Demonstrations of Arts and Sciences Activities in which you are involved.
- * Lectures on subjects of which you've done research.
- * Presentations intended to be part of the Scholars Program, either complete or in development.
- * Presentations intended to be part of future Arts and Sciences competitions.

Additionally, we intend to have one room, or venue, devoted to Bardic Activities. His Excellency Arion actively seeks contributions from all the past Dragon's Laire Bardic Champions as part of this effort. Finally, we want to have one room, or venue, devoted to Martiallate Activities. Do you have a fighting style to demonstrate? Would you consider sponsoring, and hosting, a drill session where you lead people virtually through a drill sequence? How about fighting techniques, either individual or a battle scenario with a squad of fighters? This has many possibilities, please ask questions and seek advice on this.

ALSO, WE ARE ENCOURAGING AS MUCH OF THIS TO BE PRE-RECORDED AS POSSIBLE! This will help with timing, and help with 'quirks' in the system. It also allows individuals the time to put together something with which they are truly satisfied to present. Also, consider a pre-recorded presentation built with time at the end for a 'question and answer' session available.

At 4PM, the break-out sessions will end and Virtual Court will begin with Their Excellencies Arion and Kloe. Their Court Coordinator is Mistress Luaithrend, who should be sought for items to be added to the agenda as well as any questions you may have in regards to Court. At this point the intention is to have both Live and Pre-Recorded presentations as part of this Court.

Upon completion of Court, we will begin our Virtual Feast as hosted by Countess Elizabeth de Rossignol. This is still a Work-In-Progress, so expect updates and changes as more input is gathered and plans are made.

WE NEED HELP! Our Baronial Web-Minister, Lord Maenach (Christopher Willis-Ford) , is only one person and there will be multiple rooms to manage. He will also need breaks over the course of the day. If you

could volunteer and hour or two in order to help moderate and facilitate rooms, it would be greatly appreciated!

Bid for Candlemas from Ciar

Virtual Candlemas – February

Current plan: Virtual event is scheduled on the Kingdom Calendar and currently claims we will have live Court – We can change this based on Their Excellencies' plans. But LIVE court requires no event conflicts.

Utilize the Baronial Website for sharing presentations and displays, Bardic performances, and Scholar's papers/presentations.

Use Zoon, possibly 2 accounts, to allow presentations for Championships, one-on-ones, social gatherings, etc.

Final setup for the rules for the Championships and Scholar's Papers to come. Once settled those and the judging forms will be available on the Dragon's Lair website.

Cost: No additional cost at this time. Depending on the number of participants and moderators, we may need an additional 1-month Zoom, which would be \$14.99 plus taxes.

Who can participate? Anyone.

If you don't want to be champion, that's fine! As in previous years, you can do a single entry (if you want to go through the evaluation process) or just a display of a project, body of work, what you're researching... the options are pretty endless.

How are we going to share this? Using the Dragon's Lair website using Wordpress.

I don't have technical skill. Webpages are beyond my skill. That's okay! The way this works is very similar to using a document program such as Word or Google Docs. Copy and paste or type directly on the page with uploading of photos. Also, we can help you.

How will this work for Bardic presentations? We recommend pre-recording if you're doing the Championship (instructions to come) so that you can submit the presentation you like the most. This can be done with webcams, phones, tablets, etc.

Deadlines? TBA.
