If you have equipment, or time, you can donate for this cause, please contact Her Excellency Kloe. Susan Levitt purchased new rope. ## Business Meeting Reports and Notes:

Baron and Baroness: Baroness Kloe of Thira and Baron Arion the Wanderer.

Greetings unto the Populace of Dragon's Laire,

A common question online, and in person: "Is the virtual SCA for you"? Well, We know it really isn't for Us. We do this activity, we have this community, to hang with people and do things! Things like kill our friends ... things like cooking period foods over period heat ... things like arts and sciences ... things like nerding out with another history geek ...the list goes on.

Is the virtual SCA better than nothing? Interesting question indeed.

Depends on who you are in the Society for Creative Anachronism. There are a lot of people who connect very happily on virtual SCA. You can bard with Bards you will never meet! You can take a class from an amazing person you will never meet. You can go to Events all over the Known World.

We, Kloe and Arion wish the Plague would go away. And slowly it is! While we may be in the final stretch, getting back to normal is still just outside of our reach. We all just want this disease behind us, so let us all do our parts to get it there! If you can, Vax up!

Being in a virtual SCA is not the easiest place for some. There are connections we all miss. We all want to play so hard! Until such time as we can sit across from one another and share a laugh we are still coming together as a community the only way we can.

One of those ways is through our events. We ask our populace to join us for a virtual day of stories, of teaching, or seeing, in our Virtual June Faire. We have videos on Marshalette activities, on the Arts and Sciences, and of Stories of events of the past.

If you have a story from a June Faire, or any SCA event, or a class you would love to record and teach, or a song to share, please reach out to our team to submit it for the Virtual June Faire YouTube channel. Keep the Dream alive!

\*\*\*You will need to grant us permission to use the video, the team will help you get that squared away with the proper form.

At this time we would like to announce the opening of the office of Arts and Sciences Minister of Dragon's Laire. Aelianora de Wintringham is stepping down from the office.

Aelianora you have been a joy to work with. Your ideas have inspired us to reach for new things, new projects, and new activities. Your guidance on championships and activities have been so greatly appreciated. Your encouragement of the artisans of Dragon's Laire has been wonderful. You have been beyond supportive and encouraging of all our questions since we stepped up as Baroness and Baron. We are ever so grateful for all you have done as our Arts and Sciences Minister and wish you well on your next endeavours.

Any who would seek to fill the role, we will release the job description and expectations in the near future and look forward to meeting candidates for the position after that time. Anyone interested should send letters of intent to the Seneschall and us, the Baroness and Baron of Dragon's Laire, once that notice has been posted.

The Barony has an influx of new books on Costuming, donated by a friend of the SCA. Once they are fully logged into the Library system they will be posted for check out.

Don't forget, we have a new event coming this fall. Looking forward to seeing what may come! Please reach out if you are interested in submitting a bid to be the steward.

September Crown is around the corner. It is possible that it may be in person, and as such there will be a Dragon's Laire encampment. There is a post in the DL Facebook page to let Adelheide know if you need space. We are hopeful to see you all there.

12th Night 2022 is also on the books at the DoubleTree in Seatac. Many of us are reserving rooms and looking forward to the event. We hope you will consider attending, and look forward to seeing you there!.

In Service to Dragon's Laire, An Tir and the Dream,

Kloe, Baroness

Arion, Baron

Seneschal: [THL Furia Dommittia](#)

Greetings and Salutations to the Semi-Sunny Barony of Dragon's Laire!

Firstly, Scribal Guild is looking for a new replacement head. If you have an interest, please don't hesitate to reach out to Their Excellencies or me.

Secondly, I would like to express my endless gratitude and appreciation for Magistra Aelianora for her endless support and tireless efforts on behalf of the Barony. My thoughts are with you as Real Life is currently taking priority. The Barony and the Arts and Sciences community wait with open arms and full support for your return.

In the meantime, if you are interested in stepping into the spotlight as Arts and Sciences Minister, please let me or Their Excellencies know.

Speaking of deputies, darn near all of our Officers need one! If you are interested in learning more about a position, please reach out to me or the Officer in question! Deputies keep everything moving forward and teaching more people prevents burnout!

June Faire 2021 is progressing nicely with a content deadline for June 5th (edited: June 12th). If you are interested in sharing your joy and talents with the Barony and An Tir, please reach out to our Event Stewards Stephen the Sinister and Kosem of House Awry!

I know everyone is as eager as I am to return to in-person gatherings. Latest word from the Kingdom Seneschal is (keeping your fingers crossed), maybe July for activities like archery, guilds, masked marshallate, social and perhaps even August for events ONLY if infection and hospital rates drop. We are still waiting for the US/Canadian border to open to have Events but there is to be a press conference toward the end of the month to discuss openings so let's all keep our fingers crossed.

Thank you all for being an amazing community and continuing to set an inspirational example.

Yours in Service,

Furia Dommittia

My plans for when that starts:

Minister of Arts & Sciences: Magistra Aelianora de Wyntringham

Magistra Aelianora de Wyntringham had to step down from the officer position suddenly; we are now looking for a new minister of arts and sciences. If interested, please contact Their Excellencies Kloe of Thira and Arion the Wanderer, or Seneschal Furia Dommittia.

Greetings unto the Wonderful Denizens of Dragon's Lair!

Arts and Sciences for the month of May was low key. There were several presentations and classes (thank you Dame Gwen and Maitre Renart). They were awesome! I was, unfortunately, unable to attend these, my apologies.

Along those lines, it is with much sadness, regret and reluctance that I submit my resignation as Arts and Sciences Minister for Dragon's Lair. 'Real' life has gotten very overwhelming and I need to take a break from the SCA in order to deal with all the 'real' stuff. Therefore, I am resigning as Arts and Sciences Minister, effective immediately.

I will remain available to help with a transition to a new Minister, and of course, I love research. I'll help people with research and their projects as much as I can. Thank you very much for allowing me to serve as the Arts and Sciences Minister of the Barony, even in the time of Covid it was an awesome experience!

Thank you so much,

YS,

Greetings, all,

Once again, the herald's office continues to keep busy in a low key fashion. Online name and device consulting continues, and I'd like to encourage anyone who's interested to get in touch and we'll get started.

Questions about period and SCA- specific naming practices, armory design, and heraldic display are always welcome.

If you have not yet completed this form, please get in touch with me at [DragonsLaire.Webminister@antir.org](mailto:DragonsLaire.Webminister@antir.org) and I can provide the form as well as instructions.

I have renewed my request for assistance regarding the monthly report and award recommendations forms on our website. Lord Saito has already responded and says he will "figure out what the hold up is" regarding this issue.

Website updates this past month include an update to the Office 365 instructions, especially the "How do I check my Office 365 email?" section. If you have an Office account provided by An Tir and have been having trouble with it, please check the instructions and contact me if you're still having trouble.
