

# Request for Proposal

Due date for proposal: 15 Feb 2024

The completed project is due 6 months after the proposal is accepted.

The Barony of Dragon's Laire requests proposals for the construction of storage/carrying bags for the 2 Baronial Chairs of State.

Minimum construction specifications: Padded canvas bags that hold the component chair parts to protect them from rubbing together when being transported and stored.

Proposal must include:

- Total cost for 2 bags - itemize materials and time if you wish
- Construction details with drawings of individual bag pieces
- Canvas used
- Closure details
- Carrying handle details
- How the bags will be sewn/type of thread used
- Type and thickness of padding
- Other details appropriate for us to understand your proposal
